

PARALLEL
ARCHITECTURAL PRODUCTS

The Modern Tranquility Collection

A color palette designed for creating
tranquil spaces with a contemporary edge

Parallel Architectural Products' Modern Tranquility Collection is comprised of a palette of colors designed to create a sense of calm and serenity while maintaining a modern and functional appeal. This collection features **textured and versatile powder coats** with dynamic and refined aesthetics that blend style with performance.

The color palette is inspired by **gentle earth tones, including shades of gray, green and brown**. These elements come together to offer a collection that is both stylish and soothing, perfect for creating exceptional exteriors and interiors using Parallel's aluminum architectural systems.

Contact our team for lead times on these colors.
