

SPECIFICATION DATA SHEET

TWO-PART BATTENS

About Parallel Battens

Parallel Architectural Products creates superior, 100% aluminum battens in multiple sizes to suit a wide range of styles and applications. Beautiful like wood, but with the durability and sustainability that only aluminum can provide, Parallel's products stand up against the elements. All of our finishes are powder coated to create a dependable, enduring product that won't fade, crack or tarnish no matter the weather conditions.

Installation

Parallel's battens are installed using a simple, 2-part system. Our battens click together and do not rely on small clips, resulting in an exceptionally clean and stunning finish. Plus, this installation method ensures strength and durability.

True Imperial Sizing

2" x 2" • 2" x 4" • 2" x 6" • 2" x 8"

Parallel parts are standardized to 20' lengths.

Colors

Parallel has an expansive selection of more than **40 woodgrain** and **10 solid colors**.

We are **industry leaders in color development**, regularly adding new finishes to our collection. Keep up with our ever-expanding palette by visiting parallelap.com.

Custom solid colors are available for larger projects.

Warranty

Parallel Architectural Products is proud to offer a limited lifetime warranty! Parallel expressly warrants for a limited lifetime that its aluminum products are free from manufacturing defects in material or workmanship when installed according to Parallel's specifications and properly maintained. The warranty provides for a 15-year warranty for the finish, including checking/cracking, chalking, color change, gloss retention and adhesion of finish.

Visit parallelap.com/warranty for the full warranty.

Maintenance

Parallel's products are easy to care for and manufactured to last. With simple maintenance, your aluminum battens will last many years!

- Wash the surface with a mild solution of pure soap or mild non-abrasive kitchen detergent in warm water. Application should be with a sponge, soft cloth or soft bristle nylon brush, and should be gentle to prevent shiny spots.

Availability + Cost

Our battens are available directly through Parallel sales reps, and through our network of distributors. Plus, round out any project with the addition of our other products like cladding, soffits, fencing, enclosures and more! To get started and for current pricing, contact us at info@parallelap.com.
